Dear Sir,

I thank you very much for your favours dated 28th Sept. and 14th Oct., containing some valuable reports covering the time up to this day. The continuation of such reports in the same manner is therefore desired by us.

In the meantime you no doubt will have received my Air mail letter of 25th ult. and I therefore presume that from now on we shall receive the mail by the route therein indicated.

Please omit every name etc. in your letters !

Hoping to hear from you soon, I remain, Dear Sir

Yours faithfully
